

BBA
NEWS

JUNE
2006

Welcome to the latest newsletter. It is quite a while since the last publication. The main reason is that Pat, our editor has not been well. I have stepped into her shoes (so to speak) to get things up & running again. So, if you can put up with my drivel, read on. In the meantime, I feel sure that we would all wish Pat a speedy recovery.

Do you have a picture you want showing in here?

From last years
county & club
clout

Send a copy to cliveanne@msn.com Subject line: archery picture & I'll do the rest.

Have you got anything to say?
Achievements, wish list...
pictures...
Complaints 🤔 🤔 (I hope not)
Let us know, & we'll put it in here

Summer league shoot 21st May, Long Western
Anchor, BBA, LNER.

A rather disappointing turn-out at Anchor. We had 3 recurve archers & 1 compound archer, meaning no senior teams for BBA. The Long-bow team did well & won the event The junior team shooting a Short Western did not win either. However, we did win the handicap when all had been totaled up. We would ask all archers, regardless of their shooting skills to turn up at these events & support BBA, we used to have the team to be beaten, but now we barely make "also-ran's".

Admittedly, the weather was not the best to shoot in, but look upon it as a challenge, it can only improve your shooting skills.

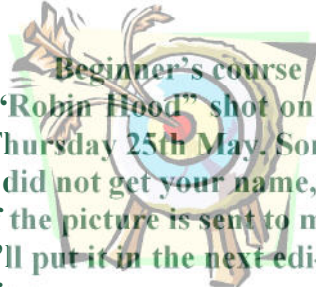

Next Committee meeting, 20th June.

Please attend & bring your ideas, complaints, praises. Let us know what you feel. All of our meetings are "Open to all"

Equipment Officer's request.

Please make a note of any equipment that is damaged, so it can be repaired as soon as possible. If you bin any target faces, please let me know. Juniors shooting light bows @ 20-30yds, please use the 90cm square bosses (we have some used 80cm faces you can use), these are easier to handle, & will release the 122cm bosses for other archers. You can put 2 bosses on a stand should you feel the need.

6th August, A Showcase day will be held at Rosliston Forestry Centre to promote clubs in the area. Why not turn up to show off your archery skills, & promote the club. Times to be announced later

**Beginner's course
"Robin Hood" shot on
Thursday 25th May. Sorry,
I did not get your name, &
if the picture is sent to me,
I'll put it in the next edition.**

**1st Tuesday of the month
until September will be
"Coaching Evening",
What can we do for you?**

17th September 2005, saw 3 of our coaches (Carol, Derek & myself) going to Greetham Valley Golf Club, Rutland, to take up the GNAS Coach Level 1 "Rollover" Course. We have since been certificated as Course Managers, Mentors & Tutors. We have yet to complete the Internal Assessors section. If the work is completed to a satisfactory level, then the Coach level 2 certificate will be awarded to us. This will then put us on the road to run Coach Level One courses, bringing in new archery coaches for the region ...More to follow as & when.

If you have any items you want to sell, or are looking for, advertise here for free. Or you can buy me a pint

We have 2, 122cm bosses for sale, also a stand. £5.00 each. Interested? Give your cash to Derek or Sandra, & take your new belongings home with you

Tassels for sale £5 each. Any colour or mix of colours.

See Carol with your requirements

Not too sure about the clothing, but if you are considering a long-bow, have a chat with Paul Made to measure

BBQ after the Clout shoot, Tuesday 13th June.
See message board, & put your names down

Sorry
about the short notice,
but could you get the mon-
ies to Carol, ASAP please.
